名前 _____

(1)

$$\begin{array}{r} 23 \overline{)67} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows. The first row is labeled '1', the second '2', and the third '3'. The first row is partially filled with a '1' in the tens column and a '0' in the ones column.

(2)

$$\begin{array}{r} 23 \overline{)88} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows. The first row is labeled '1', the second '2', and the third '3'. The first row is partially filled with a '3' in the tens column and a '8' in the ones column.

(3)

$$\begin{array}{r} 32 \overline{)95} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows. The first row is labeled '1', the second '2', and the third '3'. The first row is partially filled with a '2' in the tens column and a '9' in the ones column.

(4)

$$\begin{array}{r} 43 \overline{)84} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(5)

$$\begin{array}{r} 13 \overline{)49} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(6)

$$\begin{array}{r} 24 \overline{)69} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(7)

$$\begin{array}{r} 34 \overline{)99} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(8)

$$\begin{array}{r} 22 \overline{)85} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(9)

$$\begin{array}{r} 22 \overline{)43} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(10)

$$\begin{array}{r} 12 \overline{)58} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(11)

$$\begin{array}{r} 23 \overline{)89} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.

(12)

$$\begin{array}{r} 32 \overline{)63} \\ \square \\ \square \end{array}$$

Diagram showing a long division problem with a grid for the quotient. The grid has three rows.
